DeeperDive
LEARNING, INC.™

At last!
A fun, flexible
online experience
designed to bring
schools & families
together!

Support learning at home with mini-modules for parents & grandparents!

The screenshot displays the FamilyU website interface. At the top left is the DeeperDive Learning, Inc. logo. To its right is a 'Select Language' dropdown menu and a user profile icon with the email 'jerry@deeperdivelearning.com'. Below the header is a 'Dive Adventures' section with a central image of a woman and a child reading together, titled 'Building Reading Fluency at Home'. A navigation bar below this section contains links for 'All', 'FamilyU', 'LeaderQuest', 'Instructional Strategies', '21st Century Workforce Skills', 'Demo', and 'Interactive Texts'. The main content area features six mini-module cards, each with a title, a brief description, and a small image:

- Family Engagement - Part 1 of 3**: Establishing the Home to School Connection. Part 1 of 3 - Family members learn strategies to enhance family relationships and strengthen the home-school connection.
- Family Engagement - Part 2 of 3**: The Nurturing Parent. Part 2 of 3 - Family members learn strategies to effectively parent and help their children succeed in school.
- Family Engagement - Part 3 of 3**: Active Parenting for School Success. Part 3 of 3 - Family members learn strategies to become active participants in their child's education.
- Supporting Children with Special Needs**: This course provides accurate information about the disability process.
- Promoting Cyber Security in Your Home**: A Guide for Parents: How to learn about the internet and how to...
- How to Read with Your Child**: Learn how maximize your child's literacy and pleasure reading.
